take the 2nd right (Radarweg) and the 1st left (Hanedastraat). Address: Piarcopein 1.

- Q-park Nieuwezijds Kolk, Nieuwezijds Kolk 18. Drive through Prins Hendrikkade, Martelaarsgracht and Nieuwezijds Voorburgwal. Walk to the building in 4 minutes via Nieuwezijds Kolk, Kolksteeg and Oudebrugsteeg.

- P1 Central Station, Prins Hendrikkade 20a. This garage is right in front of the Central Station. For the walking route, see 'Address'.

- Parking Center Oosterdok, Oosterdoksstraat 150. Easy to drive from the western direction via S102 / S100 and from the east via S114 / S100. Walk in 7 minutes to the building via the pedestrian bridge towards the Central Station, then directly left to the Prins Hendrikkade, along the striking Sint Nicolaaskerk and then through the Sint Olofspoort, the Warmoesstraat and the Oudebrugsteeg (the right entrance of the building is situated then on the short side of the building, directly left at number 9).
